

# COURSE INFORMATION SHEET

**TITLE:** Paediatric First Aid Refresher

**OVERVIEW:** Please note that this is not a Paediatric First Qualification - it is designed to refresh your knowledge & confidence in the 2 years following your initial course before you re-qualify on a face to face training course once again.

**CPD:** Approved for 3 CPD points

**PRICE:** £35.00

**CERTIFICATE:** Downloadable

**COURSE AIM:** The aim of this course is to refresh your theoretical knowledge and skills and to increase your confidence in dealing with paediatric first aid situations. It covers all of the key topics including: emergency planning, assessing a situation, Basic Life Support, CPR, shock, fractures, bleeding and a range of other minor illnesses and injuries.

**COURSE CONTENT:**

- Introduction to Paediatric First Aid
- Basic Life Support
- Fractures & Head Injuries
- Shock, Bleeding & Dressing Wounds
- Medical Conditions
- Minor Injuries
- First Aid documentation & First Aid Kits

**ASSESSMENT & CERTIFICATION:** Learners are assessed through self-checks as they progress through the course and an end of course multiple choice assessment. On successful completion, learners can download a CPD accredited certificate as evidence for their portfolio of CPD training.

**ACCESS:** This online course can be completed on any PC or mobile device. Learners can study at their own pace and log in and out as often as they wish

**FEATURES:** The course includes varied learning styles including interactive quizzes, video and audio features. Allows learners to work at their own pace, testing their knowledge as they progress through the course.
